

Put Your Class Picture on the Nickerson Alumni Association Web Site

There is no class picture loaded on the web site for your class.

Special photography is required to get class pictures in a digital format to facilitate uploading to the web site. This involves expenditures on the part of the Association at an estimated cost of \$30.00 per class.

Please consider a donation for your class year. The Association will have digital photos made of your class picture and uploaded to the web site. Your contribution will be enjoyed by many and appreciated by the Association.

You contribution is deductible on your IRS Form 1040; Schedule A (Itemized Deductions) tax return.
